I tried and tried again and I succeeded in...

Activity:

For this activity a bowl of coloured sweets, beads or buttons can be used – try and only have a maximum of 6 different colours or you can invent new questions, one for each different colour

Everyone takes it in turn to pick an item from the bowl (without looking!) and then finishes the colour corresponding sentence before the next person takes their turn.

Follow the key below, or choose your own sentence starters for each colour

Other starters could be:

My favourite song is...

I am special because...

If I could have 3 wishes they'd be...

My favourite food is...

If I could have a new pet, I'd choose a...
